

FAASTeam presents:

Air Crash Investigations - a look at Pacific Northwest accidents!

At this month's Second Saturday, we're pleased to welcome Zoë Keliher, an Air Safety Investigator with the National Transportation Safety Board. Zoë has been an Air Safety investigator with the NTSB's Western Pacific Region for over 12 years, where she's completed more than 475 accident investigations. Zoë is also a commercial pilot (fixed-wing and rotor). At this month's event, Zoë will provide an overview of accident investigations, with an eye on what general aviation pilots can to do stay out of the statistics.

This month's Second Saturday gets underway on Dec. 12 at 1100 hours in the Education Hangar at Willamette Aviation. The event is certified for FAA Wings credit and there is no charge.

If you'd like a box-lunch (\$10), please call us (503-678-2252) before 1 p.m. on Friday, Dec. 11. We'll see you there! Seating is limited. Overflow attendance may view the seminar from the lobby observation center.

Sign up on the WINGS, call us (503-678-2252) or just drop by for the seminar.
